

# Double Sided Portable Led Frame 100 x200 cm

The double-sided portable LED frame is a slim LED frame with a profile width of 8 cm with powerful LED lights on the sides of the frame.

A perfect LED frame for double-sided expressions, ideal for use at fairs, events or in theaters and cinemas.

The portable LED frame is easy to assemble without the use of tools. Easily to change the prints for a new one or store the portable LED frame in the handy carrying bag for the next event.
